

**New supervisory board member appointed.**

Dr. Martin Langer was recently elected as new member of the supervisory board of Enzymicals AG. He takes over the position from Dr. Jürgen Eck. Dr. Langer is as an Executive Vice President a member of the management team of Enzymicals' shareholder BRAIN AG, which is a listed company. Besides he is the head of business development at BRAIN. Dr. Langer is also a member of the German section of the Pharma Licensing Club and represents BRAIN as a member of the board in the IWBio e.V. German Industrial Biotechnology Association. He will support the Enzymicals with his high-profile expertise and international standing in industry, science and commerce.

Enzymicals would like to gratefully thank Dr Jürgen Eck for his successful work in its supervisory board over the past ten years. His outstanding accomplishments has significantly influenced the positive development of Enzymicals to become an established profitable enterprise in the segment of industrial biocatalysis.
